Accurate classes must be entered on entries for early stall price. This allows us to be sure we can run the show as efficiently as possible and not have to change the schedule significantly during the show. Permanent stalls are on a first come basis. Stalls are available Tuesday before the start of the show. Each entry with a horse stall is required to purchase a minimum of four bags of bedding through the show office. Additional bedding, feed and hay are available for purchase on the grounds. Manure must be disposed of in designated areas only, no manure in trash bins. Removal of stall panels and/or doors will be charged a fee by the facility through the horse show office. A \$60 per day grounds fee will be charged for all horses on the grounds, if not purchasing a stall.

Campers

Camper spaces with full hook-ups are available through Expo Square. Please contact the facility for reservations at www.tulsaexpo-square.com or 918-744-1113.

Credentials

Exhibitors in amateur, junior or pony sections must present an amateur certificate or horse measurement card to the show office before numbers will be released. To speed processing, please send a photocopy of those credentials with your entry.

meet or exceed ASTM standards, carry the SEI tag, and be properly secured by a harness per USEF rules.

Ribbons/Trophies/Championships

Class placings receive ribbons from first through eighth place. Each section will receive a champion and reserve award on points. Full championship points will be given in hunter sections. In hunter sections, champion and reserve will be awarded to two of the top four horses acquiring the most points over fences. These four horses will also receive full points for the under saddle class.

Jumpers

Ties in jumper classes will jump off for first place only. Ties for all other places will be determined by fastest time in the first round among those with an equal number of faults. Ties for champion and reserve champion will remain tied.

Jump Order/Ring Conflicts

It is the exhibitor's responsibility to follow jump orders and check in when necessary. Management will designate priority rings on a daily basis. Paddock masters have the authority to scratch exhibitors not in compliance with this policy. Add/scratch slips must be presented to the paddock master prior to class start.

Footing & Arena Dimensions

Ford Arena is 150' x 300'; Mustang Ring is 125' x 225'.

Schooling

Rings will be open for schooling one day prior to their start. Rings will also be open before the show each day for hacking. Times will be posted or announced. Free, supervised schooling will be permitted Thursday after the completion of the show until the latter of 6 p.m. or one hour after jump crew is through setting fences for the next day. All other schooling times will be announced daily. Once the supervised schooling is completed, hacking only will be allowed in the rings.

Dogs

Dogs are not permitted to be loose on the competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dogs' behaviors. Dog owners failing to comply with this rule may be subject to a penalty.

not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent, legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent, guardian and/or trainer who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent, guardian, and/or trainer from the competition grounds for the remainder of the competition. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Courses

Will be posted an hour prior to classes. Hunter courses are designed to simulate fences found in the hunting field such as brush, wall, oxer, gates, etc. In some cases the courtesy circle may be restricted by a dotted line on the course diagram and physically in the ring. Classes are judged on performance and soundness unless otherwise noted. Sections with few competitors may be combined and any section with fewer than six may be canceled.

Entry fees will not be refunded unless a certificate of illness or injury prepared by a veterinarian is presented before the start of the show.
