Oklahoma Hunter Jumper Association
"O" Show Grant Application

This form must be completed and submitted at least 30 days prior to the show start date for consideration. Any shows applying for the grant must be held in the state of Oklahoma. All "O" shows must meet the minimum requirements for an "O" rating as stated in the OHJA Bylaws. If show management is found in violation of meeting the minimum requirements during the show, the grant money must be returned to OHJA and management will not be eligible to apply for any "O" show grants within the next 12 months.

The grant applications will be carefully considered by an appointed impartial committee comprised of OHJA board members and approved by the Board of Directors. Provided funds are available, grants will be awarded in amounts up to $500 based on the quality of offerings at the show and each show owner will be allowed two show grants per show year. Show management will be notified within 14 days of the committee's decision and will be awarded the grant no later than the final day of the show. In order to be eligible for a grant, the entire show (from Leadline to Rated divisions) must meet the "O" Show minimum requirements.

Any questions concerning OHJA "O" Shows or the "O" Show Grant should be directed to the OHJA Horse Show Chair – Lindsay Vander Woude at pooonou@aol.com.

Applications will not be considered without a copy of the show prize list.

Please submit completed application to the OHJA Horse Show Chair – Lindsay Vander Woude at pooonou@aol.com.
